PREAMBLE

STATE OF CONNECTICUT, acting by and through the Office of Labor Relations, hereinafter called "the State" or "Employer," and the CONNECTICUT STATE EMPLOYEES ASSOCIATION, SEIU LOCAL 2001, AFL-CIO, CLC, hereinafter called "the Union," hereby agree as follows:

ARTICLE 1 - RECOGNITION

Section 1. The State of Connecticut recognizes the Connecticut State Employees Association as the exclusive bargaining representative of the State employees classified as Correctional Lieutenants and Correctional Training Officers in accordance with the agreement reached by the parties on November 29, 2001 and finalized on December 3, 2001 (Case No. SE-22,766).

Section 2. This Agreement shall cover only those employees whose job titles fall within the certification above. It shall not apply to nonpermanent employees who are appointed to nonpermanent temporary, emergency, or seasonal positions nor to durational positions of six (6) months or less. Employees appointed originally on a provisional basis and/or employees appointed to durational positions established for six (6) months or more shall be covered by this agreement but shall have no right to appeal from termination due to expiration of position or failure to successfully complete the required examination process.

Section 3. Provisional employees are employees who are initially appointed to permanent positions pending state examination or examination results. Provisional appointees are subject to the requirements of the merit system in all respects, including but not limited to certification from an examination list and completion of the working test period. Permanent appointment is contingent upon meeting all said requirements, and failure to do so will result in termination of employment without right of appeal except as provided by the merit system. In all other respects, provisional employees are subject to the provisions of this Agreement and can utilize all benefits as if they were initially appointed as permanent full-time employees. Seniority shall be retroactive to the date of last hire upon successful completion of the working test period.

Section 4. A temporary employee is defined as an employee who is hired to fill a temporary, durational or emergency position of six (6) months duration or the length of leave of absence of the employee replaced, whichever is longer. Due to the nature of temporary employment, temporary employees cannot be guaranteed continued employment beyond the termination date of the appointment. Termination is therefore without right of appeal. In other respects, this Agreement shall apply to a temporary employee after completion of six (6) months of continuous service.

ARTICLE 2 - ENTIRE AGREEMENT

This Agreement, upon legislative approval and ratification, supersedes and cancels all prior practices and agreements whether written or oral, unless expressly stated to the contrary herein, and constitutes the complete and entire agreement between the parties and concludes collective bargaining for its term.

The parties acknowledge that during the negotiations which resulted in this Agreement. each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunities are set forth in this Agreement.

Therefore, the State and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter whether or not referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both parties at the time they negotiated or signed this Agreement.

ARTICLE 3 - NON-DISCRIMINATION

Section 1. The parties agree that neither shall discriminate against any employee, except on the basis of bona fide qualifications.

Section 2. Neither party shall discriminate against an employee on the basis of membership or non-membership or lawful activity in behalf of the exclusive bargaining agent.

Section 3. The parties agree that the Labor Management Committee is an appropriate forum to discuss affirmative action issues.

ARTICLE 4 - NO STRIKES/NO LOCKOUTS

Section 1. Neither the Union nor any employee shall engage in a strike, sympathy strike, work stoppage, or other concerted withholding of services.

Section 2. The Union shall exert its best efforts to prevent or terminate any violation of Section One of this Article.

Section 3. The employer agrees that during the life of this Agreement there shall be no lockouts.

ARTICLE 5 - MANAGEMENT RIGHTS

Section 1. Except as otherwise limited by an express provision of this Agreement, the State reserves and retains, whether exercised or not, all the lawful and customary rights, powers and prerogatives of public management. Such rights include, but are not limited to; establishing standards of productivity and performance of its employees; determining the mission of an Agency and the methods and means necessary to fulfill that mission, including the contracting out of, or discontinuation of services, positions, or programs in whole or in part; the determination of the content of job classifications; the appointment, promotion, assignment, direction and transfer of personnel; the suspension, demotion, discharge or any other appropriate action against its employees; the relief from duty of its employees because of lack of work or for

other legitimate reasons; the establishment of reasonable work rules; and the taking of all necessary actions to carry out its mission in emergencies.

Section 2. Those inherent management rights not restricted by a specific provision of this Agreement are not in any way, directly or indirectly subject to the grievance procedure.

ARTICLE 6 - EMPLOYEE BILL OF RIGHTS

Each employee shall be expected to render a full and fair day's work in an atmosphere of mutual respect and dignity, and free from significant abusive and/or arbitrary conduct by supervisors.

ARTICLE 7 - UNION SECURITY AND PAYROLL DEDUCTIONS

Section 1. Union dues and initiation fees, if any, shall be deducted by the State Employer biweekly from the paycheck of each employee who signs and remits to the State Employer an authorization form. Such deduction shall be discontinued upon written request of an employee thirty (30) days in advance.

Section 2. An employee covered by this Agreement who is not a member of the Union is required, as a condition of employment, to pay to the Union an amount equal to the regular dues, fees and assessments that a member is charged.

Section 3. (a) Any employee in the bargaining unit covered by this Agreement who fails to become a member of the Union or any employee whose Union membership is terminated for any reason or any employee who resigns from Union membership shall be required to pay an agency service fee.

(b) The deduction of the agency service fee shall be effective with the first payroll check received as an employee covered by this contract and the amount of agency service fee shall be determined by the Union and shall not exceed the amount of the Union dues. An employee who objects to payment of such fee based on the tenets of a bona-fide religious sect shall have his/her agency service fee forwarded by the Union to a nationally recognized charity, designated by mutual agreement of the Union and State, provided that the employee submits such objection in writing to the Union.

(c) The amount of dues or agency service fees deducted under this Article shall be remitted to the Treasurer of the Union as soon as practicable after the payroll period in which such deduction is made together with a list of names of employees for whom any such deductions is made.

(d) Should the Union believe that the Union dues/fees of an employee have not been deducted correctly the Union shall notify the employing agency with the specific nature of the problem. Upon agency verification of the problem the agency shall arrange for corrective action with the Union and the employee. (For example, an employee whose dues have been underdeducted by \$1.00 for six (6) pay periods shall have \$1.00 extra deducted, in addition to the

correct dues deduction, for a period of six (6) pay periods).

(e) The Union agrees to indemnify the State Employer for its damages or cost incurred in defense of actions taken under this Section by the State.

Section 4. In accordance with those procedures promulgated by the Office of the State Comptroller the State shall allow for the deduction of contributions for the Union's political action fund.

Section 5. The State shall furnish the Union on a quarterly basis reports containing the following information sorted by facility:

(a) New hires into Bargaining Unit, their classification, Social Security number, and address.

(b) Re-employed workers into the Bargaining Unit, their classification, social security number, address, and date of hire.

(c) Employees separated from the Bargaining Unit and date of separation.

(d) General changes for Bargaining Unit employees.

ARTICLE 8 - UNION RIGHTS

Section 1. Access to Information. The Employer agrees to provide the Union upon request and adequate notice, access to materials and information necessary for the Union to fulfill its statutory responsibility to administer the Agreement. The Union will not be charged for infrequent and/or reasonable copying expenses, however, the Union shall reimburse the State for the expense and time spent photocopying such information and otherwise as permitted under the State Freedom of Information Law.

The Union shall not have access to privileged or confidential information.

Section 2. Bulletin Board. (a) The State shall furnish a minimum of one (1) bulletin board at each institution which the Union may utilize for their announcements and Union material. The Union shall be provided a key for access to the bulletin board at institutions where such boards are presently locked. The State reserves the right to have the Union remove material that is of a partisan, political nature or is inflammatory, or derogatory to the State Employer or any of its officers or employees. After the material in question is removed, the Union shall have the right to grieve and to arbitrate.

(b) Agency bargaining unit vacancies, including promotions and promotional opportunities within the bargaining unit, shall be posted at least ten (10) calendar days prior to the closing date of the promotional position.

(c) Notices of vacancies shall also be sent to CSEA at the same time they are posted.

Section 3. Access to Premises. Union Staff Representatives and officials shall be permitted to enter the facilities of the Agency at any reasonable time for the purpose of discussing, processing or investigating filed grievances, or fulfilling its role as collective bargaining agent, provided that they give notice prior to arrival to the Unit Administrator and do not interfere with the performance of duties. The Union shall furnish the Agency with a current list of its staff personnel and their jurisdictions and shall maintain the currency of said list.

Section 4. Use of Employer Facilities. (a) The Department will continue to permit use of certain facilities for Union meetings, subject to the operating needs of the Department.

(b) The Employer will permit the Union to leave handouts in specified areas and to allow the Union to use mailboxes where available. Employees will be allowed to carry Union mail between institutions as long as this does not interfere with the performance of duties.

Section 5. Union Business Leave. (a) Provided two (2) weeks written request indicating the nature of the business is submitted by the Union to the Office of Labor Relations, paid leave will be granted to Union designees except in the case of emergency. A bank of sixty (60) days is established in each year of the contract for attendance at steward training, union conventions, legislative or administrative hearings or other legitimate union business, such as by-law meetings, executive sessions, etc. There will be unlimited carryover of unused bank time from one contract year to the succeeding contract year(s), but carryover past the expiration date is to be by mutual agreement. Time used for processing grievances shall not be charged to this bank of hours.

(b) One (1) employee elected or appointed to a full-time office or position with the Union will be eligible for an unpaid leave of absence not to exceed one (1) year. An extension not to exceed one (1) additional year may be granted subject to the approval of the Director of the Office of Labor Relations. Upon return from such leave, the State employer shall offer said employee a position at least equal to the former position in pay, benefits and duties, with no loss of seniority, at the rates in force at the time of return from such leave. The employee shall be entitled to buy back retirement credits for that period of time specified above. Time utilized for this purpose shall not be charged to the bank of hours outlined in subsection (a) of this Section.

Section 6. Stewards. (a) The Union shall furnish the Employer with a list of stewards authorized to represent the Union within sixty (60) days from the date of execution of this Agreement. Such list shall be updated quarterly. The Union shall be entitled to two (2) Union Stewards per correctional institution and four (4) Union Stewards to represent all other non-institution personnel.

(b) Role of Steward in Processing Grievances. Stewards will notify their Unit Administrator or his/her designee when they desire to leave their work assignments to carry out their duties in connection with this Article. Permission to leave will be granted by the Unit Administrator or his/her designee unless the work situation or an emergency dictates otherwise. Requests by stewards to meet with employees and/or employees to meet with stewards must state the name of the employee involved, his/her work location, and the expected time that will be needed.

Stewards thus engaged will report back to their supervisors on completion of such duties and return to their job, and will suffer no loss of pay or other benefits as a result of this Section.

Section 7. Permission to enter the premises or to conduct representational business during working hours may be denied or revoked in emergency circumstances.

Section 8. Employer representatives shall deal exclusively with Union designated stewards or representatives in the processing of grievances or any other aspect of contract administration.

Section 9. Use of Telecommunication Equipment. Where pay telephones are reasonably available, Union stewards shall use such telephones for Union business calls. If pay telephones are not reasonably available, the State will allow stewards to use the State's telephones for Union business, provided that the calls are of short duration and that long distance calls are not charged to the State. The Union will cooperate in preventing abuse of this Section.

Section 10. Superseniority for Stewards. For the purposes of layoff and involuntary transfers, Stewards shall have the highest seniority in their respective classifications.

Section 11. The Council President may wear a pager in the facilities.

ARTICLE 9 - PERSONNEL FILES

Section 1. An employee has on site access to his/her personnel file upon written notice to the Department's Personnel Office.

Section 2. Within ten (10) days of receipt of such notice the personnel file will be made available to the employee at the convenience of the facility.

Section 3. The Union may have access to any employee's personnel file upon presentation of written authorization by the appropriate employee at the location of the normal keeping of the employee's personnel file.

Section 4. Copies made of the contents of an employee's personnel file shall be charged at the applicable Freedom of Information rates.

Section 5. Review and/or copying of any personnel files shall be done in the presence of a Department designee.

Section 6. (a) No anonymous material concerning an employee shall be placed in his/her personnel file, nor shall any new material derogatory to an employee be placed in the file unless the employee has had an opportunity to sign it and has been given a copy of the material. If the employee refuses to sign, a Union steward will sign the material and be provided a copy.

(b) An employee may file a written rebuttal to any derogatory material placed in the file within one (1) month of receipt of such material.

(c) Any derogatory material or counseling letters not subsequently referenced or merged in a service rating shall be removed after eighteen (18) months, unless related disciplinary action is taken.

Section 7. Employees may submit an award or commendation to their personnel officer for placement in their official personnel file.

ARTICLE 10 - SERVICE RATINGS

Section 1. Service ratings are evaluations of work performance. Service ratings issued during a working test period are not subject to the grievance or arbitration procedure.

Section 2. Service ratings shall be conducted (rated) by the employee's immediate supervisor(s) who has observed the employee's performance for six months or more. If this is not the case, the rater shall note and take into account the period of observation. If the immediate supervisor has less than three months of observation, the predecessor supervisor, if available and if [s]he has observed the employee for more than six months, shall conduct the service rating; if the predecessor is not available, the next level supervisor, in consultation with the immediate supervisor shall conduct the service evaluation. Consistent standards of rating shall be made known to the bargaining unit and all raters. Raters shall make a good faith effort to apply such standards uniformly in all ratings.

Section 3. An overall unsatisfactory annual service rating may be grounds for denial of an annual increment and may also be considered for promotions.

Section 4. Service ratings shall not contain comments which are inconsistent with the rating. However, constructive suggestions for improvement shall not be considered to be inconsistent with the rating.

Section 5. No comments may be added to the service rating after it has been signed by the employee.

Section 6. Employees shall be given copies of their completed service ratings.

Section 7. Service rating shall be filed by the appointing authority in compliance with Regulation 5-237-1. The form shall be made Appendix A of this Agreement.

Section 8. Determination of an overall rating. (a) Five or more ratings of excellent, with no needs improvement or unsatisfactory ratings will equal an overall excellent rating. Four ratings of excellent with four ratings of fully successful equal an overall fully successful rating. Each category shall be rated independently from the other categories. The rating shall be completed by the immediate supervisor(s), reviewed by the unit head and agency designee and then presented to the employee.

(b) A rating of unsatisfactory in one (1) category or a needs improvement in two (2)

categories may constitute an overall unsatisfactory service rating. When an employee is rated unsatisfactory in any category, the rater shall state the reason(s), and if practicable, suggestions for improvement. Overall needs improvement and unsatisfactory service ratings must be discussed with the employee at an informal meeting to be scheduled by the rating supervisor, normally within seven (7) days after the employee has seen and signed the rating form. An employee's signature on the rating form shall serve as confirmation that the employee has seen the rating and not as an indication that the employee agrees with the rating.

Section 9. Grieving and Arbitrating Service Ratings. Unsatisfactory service ratings and service ratings that may have an adverse employment consequence shall be subject to the grievance and arbitration procedure. In any arbitration, the arbitrator shall not substitute his/her judgment for that of the rater in applying the relevant rating standards unless the rater can be shown to have acted arbitrarily or capriciously.

ARTICLE 11 - TUITION REIMBURSEMENT

Section 1. Any employee who has completed their Working Test Period and is continuing his/her education in a job related area, or in an area that will assist the employee in upward mobility or promotional opportunities, shall be eligible for tuition reimbursement for a maximum of twelve (12) credits or the equivalent per year.

Section 2. There shall be \$20,000 appropriated each fiscal year of this Agreement for the purpose of tuition reimbursement. Funds that are unexpended in one fiscal year shall carry over into the next fiscal year provided however that the tuition reimbursement fund will expire on expiration of the Agreement. The previous sentence notwithstanding, applications for tuition reimbursement that are submitted and approved within, the final six (6) months of this Agreement may be paid with any remaining available funds, up to three months following the expiration of this Agreement.

Section 3. Upon presentation of evidence of payment and successful completion of the course(s), the employee shall receive a maximum tuition reimbursement as follows:

(a) For credit courses at accredited institutions of higher education, including distance learning courses offered by such institutions, seventy-five percent (75%) of the per credit rate, including fees, for undergraduate and graduate courses at the University of Connecticut at Storrs.

(b) For other courses or programs, fifty percent (50%) of the per credit rate for undergraduate and graduate courses at the University of Connecticut at Storrs.

ARTICLE 12 - WORKSHOP AND CONFERENCE FUND

Section 1. A joint Professional Conference and Workshop Committee shall administer a fund for defraying expenses incurred for attendance by permanent employees at professional seminars, workshops or conferences. The committee may develop procedures as are necessary to administer the process consistent with the contract and law. The actions or non-actions of the

committee are not precedent setting nor are they subject to collateral attack in any forum.

Section 2. The Committee shall be comprised of two (2) bargaining unit members and two (2) management representatives. The Committee will meet quarterly. Time off for attendance at the committee meetings will be without loss of pay or benefits, but shall not exceed one (1) day per calendar quarter of release.

Section 3. There shall be Five Thousand Dollars (\$5,000) appropriated each fiscal year of this Agreement for the purposes outlined in Section 1 above. Funds that are unexpended in one fiscal year shall carry over into the next fiscal year provided however that the fund will expire on expiration of the Agreement.

Section 4. Each eligible employee shall be entitled to a maximum of Six Hundred Dollars (\$600) reimbursement per contract year toward the cost of fees, travel, food, and/or lodging related to attendance at such events. Reimbursement shall be consistent standard state travel regulations. Employees who attend training herein will also continue to receive regular pay and benefits.

ARTICLE 13 - TRAINING

Section 1. The Employer recognizes the need to provide relevant training for each new employee and on-the-job training.

Section 2. In furtherance of the objectives in Section One, in addition to local training committees, a Training Committee shall be appointed, composed of two (2) bargaining unit members and two (2) management representatives. This committee will meet quarterly and its objective is to review the training needs of the department and to recommend to the Commissioner of Correction training programs in light of ACA accreditation standards.

The determination to implement these programs, including their length and duration, or not to implement the training programs rests with the Commissioner of Correction.

Section 3. New Supervisor Orientation. New bargaining unit employees shall be required to attend orientation training. During such training they will be required to attend sessions on the schedule established, for which they shall receive the normal bi-weekly salary appropriate to their job classification. Their duty station shall be considered the training site for the duration of the program.

Section 4. Training - Work Schedule. Training will be scheduled during normal working hours when, in management judgment, it is practical to do so. Training required by the State in addition to regular duty time shall be considered time worked for overtime purposes, except as provided otherwise under Section 3.

Section 5. New Supervisor Union Orientation. The Employer shall provide the Union with one (1) hour per training class to address the same on the matters concerning the Union. The one (1) hour shall take place at the start of the shift on the last Wednesday of each

class. The Union shall also be allowed access up to one (1) hour prior to the start of the shift to prepare for the meeting.

Section 6. New facility orientation. An employee who is transferred to a new facility shall receive a two-week facility orientation and training.

ARTICLE 14- WORKING TEST PERIOD

Section 1. The Working Test Period shall be deemed an extension of the examination process. Therefore, a determination of unsatisfactory performance during a Working Test Period shall be tantamount to a failure of the competitive exam. The Working Test Period shall be for six (6) months. A Working Test Period may with the approval of the Commissioner of Correction be extended for a defined period of time not to exceed three (3) additional months.

Section 2. Evaluations of the performance during the Working Test Period on a monthly basis and shall not be subject to any appeal procedures including the grievance and arbitration provisions of this Agreement.

Section 3. Failure of Supervisory Training Program. The employee shall be required to attend a supervisory training program as required by the Agency. Failure to complete this training may be considered as a failure of the Working Test Period.

Section 4. Failure of a promotional Working Test Period shall be subject to the grievance procedure provided, however, that the burden shall be on the employee to show patent unfairness of the Working Test Period due to evaluator bias or variance from the pertinent job specification. The employee may grieve the failure of a promotional working test period to Step III of the grievance procedure; the Office of Labor Relations response at Step III shall be final and binding.

If an employee fails a promotional Working Test Period in the classification of Correctional Training Officer and was promoted from the position of Correctional Lieutenant, he/she shall be returned to the position of Correctional Lieutenant. If a Correctional Training Officer was not promoted from a position of Correctional Lieutenant, a Correctional Training Officer may at the discretion of the Office of Policy and Management, have his/her position reclassified to the position he/she held prior to his/her promotion. If the department has a vacancy in the position that the Correctional Training Officer held prior to his/her promotion to which no other individual has superior rights, he/she shall be placed in such vacancy. Absent approval of OPM to reclassify the position or the availability of a vacancy, the employee shall be separated in good standing. His/her name shall be placed on the reemployment list for the position he/she held prior to his/her promotion for which he/she will have statutory reemployment rights.

A Correctional Lieutenant who fails his/her Working Test Period, may, at the discretion of the Office of Policy and Management, have his/her position reclassified to his/her former classification. If the Department has a vacancy for his/her former classification at the time of the failure of the promotional Working Test Period to which no other individual has superior rights, he/she shall be placed in such vacancy. Absent the approval of OPM to reclassify the position or

the availability of a vacancy, the employee shall be separated in good standing. His/her name shall be placed on the reemployment list for the position of his/her former classification for which he/she will have statutory reemployment rights.

Section 5. Credit for provisional appointment.

(a) Upon appointment from the certified list, an employee who was provisionally promoted shall have up to, but not more than, three (3) months of such service credited toward meeting the Working Test Period requirements, provided that such service has been satisfactory in the judgment of the appointing authority.

(b) A permanent employee who is provisionally promoted shall be paid at the rate for the higher class as if permanently promoted thereto.

ARTICLE 15- SENIORITY

Section 1. Seniority will be considered for all purposes other than those defined in Section Two as total service in an employee current job classification. A tie in seniority under this section would be determined based on total state service and if still tied by lowest employee number.

Section 2. For the purpose of computing layoff and reemployment rights, longevity and leave accruals, seniority shall be defined as total state service in addition to any credited war service.

Section 3. Seniority under Sections One and Two of this Article shall be deemed broken by resignation, dismissal, retirement or failure to report for five (5) consecutive working days without authorization.

Section 4. Employees who resign and are reinstated in the same classification within one (1) year from the date of resignation shall have credit for seniority up to the break in service restored.

Section 5. A Seniority list shall be provided to the Union on a quarterly basis.

ARTICLE 16 - ORDER OF LAYOFF AND REEMPLOYMENT

Section 1. A layoff is defined as the involuntary, non-disciplinary separation of an employee from State service because of lack of work, economic necessity, insufficient appropriation, departmental reorganization or abolition of position.

Section 2. For purposes of layoff selection within a classification, seniority as defined in Article 15, Section 2 shall prevail. The least senior employee in the agency, by classification, shall be selected for layoff.

In the event of a layoff within a job classification, temporary employees and employees who have not completed their working test period shall be laid off first.

If the seniority of two or more employees is exactly the same, priority for layoff and recall shall be determined by the lower employee number.

Section 3. When the employing agency determines a layoff is necessary, the agency will identify the specific individuals by job classification to be impacted. The incumbent(s) within these classes shall be provided written notice of layoff at least six (6) weeks prior to the layoff date. A copy of the notice will be simultaneously provided to the Union.

During the six (6) week notice period referenced above, the Employer shall meet with the Union to discuss possible alternatives to the layoffs. If there are no alternatives to layoffs, the parties shall discuss and develop procedures to backfill vacancies throughout the department caused by the layoffs. If the parties cannot agree on the appropriate procedures to backfill a vacancy caused by the layoff(s), within two (2) weeks prior to the actual layoff, the Employer reserves the right to involuntarily transfer the least senior employee at the facility affected by the position reduction(s).

Section 4. Bumping. In lieu of layoff an employee electing an option to bump shall exercise such bump as follows:

1. The employee shall bump the least senior employee in the next lower classification within the bargaining unit provided the employee had attained permanent status in the lower classification. The bump shall proceed through lower classifications in the bargaining unit if so required.

An employee in lieu of layoff or exercising bumping rights shall be offered the opportunity to be assigned to a funded, approved vacancy in the same or comparable classification within the Agency.

The employee who is displaced by the employee noticed for layoff shall have the same bumping rights as described above. However, such rights must be elected within two (2) workdays of notice of being bumped.

In all cases the bumper shall be paid for services in a lower class at the lower rate of pay which he or she would have arrived at had he or she been serving in the lower instead of the higher classification.

Section 5. Reemployment List. The names of permanent employees who are eligible for reemployment shall be arranged on appropriate reemployment lists in order of seniority as provided for in Article 15, Section 2, and shall remain thereon for a period of three (3) years.

Employees shall be entitled to specify for placement on the reemployment list for any or all classes in which they formerly had permanent status or which are deemed comparable. In the event that an employee is appointed to a position from a reemployment list but such position is in a lower salary group than the class or classes for which his/her name is entered upon a reemployment list, he/she shall remain eligible for certification from the latter list.

An employee appointed from a reemployment list to a position in his/her former salary group will be appointed at the same salary adjusted for any wage increases in such group as he/she held when he/she last worked in State service. An employee so appointed to a position in a lower salary group will be appointed at the same step or salary adjusted for any wage increases in the lower salary group as he/she held when he/she last worked in State service.

There shall be no appointment from outside the bargaining unit or State service until laid off employees eligible for rehire and qualified for the position involved are offered reemployment.

Section 6. Employees laid off under this Article shall have the right to participate in the SEBAC Placement and Retraining Process.

Section 7. Impact on Contracting Out. (a) During the life of this Agreement, no full-time permanent employee will be laid off as a direct consequence of the exercise by the State Employer of its right to contract out.

(b) The State Employer will be deemed in compliance with this Section if:

(1) the employee is offered a transfer to the same or similar position in which, in the Employers judgment, he/she is qualified to perform, with no reduction in pay; or

(2) the Employer offers to train an employee for a position which reasonably appears to be suitable based on the employee's qualifications and skills. There shall be no reduction in pay during the training period.

Section 8. When addressing questions of positions to be considered as comparable the comparability listings promulgated by the Department of Administrative Services (DAS) dated October 1995 shall be utilized. As new classifications are established or existing classifications are restructured DAS shall identify the proper and appropriate comparability for these new/restructured classes using the same or similar criteria utilized for the October 1995 comparability tables.

ARTICLE 17- GRIEVANCE PROCEDURE

Section 1. Definition. Grievance. A grievance is defined as, and limited to, a written complaint involving an alleged violation or a dispute involving the application or interpretation of a specific provision of this Agreement.

Section 2. Format. Grievances shall be filed on mutually agreed forms which specify: (a) the facts; (b) the issue; (c) the date of the violation alleged; (d) the controlling contract provision; (e) the remedy or relief sought.

In the event a form filed is unclear or incomplete and not in compliance with this Section, the State employer shall make his/her best efforts to handle the grievance as he/she understands it.

Section 3. A Union representative, with or without the aggrieved employee, may submit a grievance, and the Union may in appropriate cases submit an “institutional” or “general” grievance on its own behalf. When an individual employee Or group of employees elects to submit a grievance without Union representation, the Union’s representative or steward shall be notified of the pending grievance, shall be provided a copy thereof, and shall have the right to be present at any discussion of the grievance, except that if the employee does not wish to have the steward present, the steward shall not attend the meeting but shall be provided with a copy of the written response to the grievance. The steward shall be entitled to receive from the employer all documents pertinent to the disposition of the grievance and to file statements of position.

Section 4. Informal Resolutions. The grievance procedure outlined herein is designed to facilitate resolution of disputes at the lowest possible level of the procedure. It is, therefore, urged that the parties attempt informal resolution of all disputes and avoid the formal procedures.

Section 5. A grievance shall be deemed waived unless submitted to the first step of the grievance procedure as applicable herein within thirty (30) days from the date the grievant or any Union representative or steward knew or through reasonable diligence should have known of the cause of the grievance. In determining whether a grievance shall be deemed arbitrable when a jurisdictional issue is raised as a bar to arbitrability, the arbitrator shall apply the guidelines embodied in the “Steelworkers Trilogy.”

Section 6. The Grievance Procedure.

Step I. A grievance may be submitted within the period specified in Section Five to the employee’s Unit Administrator or managerial designee who is outside the bargaining unit. Such supervisor shall meet with the Union representative and/or the grievant and issue a written response within seven (7) days after such meeting but not later than ten (10) days after the submission of the Grievance.

Step II. Agency Head or Designee. When the answer at Step I does not resolve the grievance or when the parties agree that the issue is more properly addressed at Step II, the grievance shall be submitted by the Union representative and/or the grievant to the agency head or his/her designee within seven (7) days of the Step I response or, in the case of a grievance ripe for submission directly to Step II, within the period specified in Section 5. Within fourteen (14) days after receipt of the grievance, a meeting will be held with the employee and/or his/her representative and a written response issued within five (5) working days thereafter.

Step III. Office of Labor Relations or Designee. The parties acknowledge that orderly administration of the contract grievance procedure requires the Director of the Office of Labor Relations to play an active role in the contract grievance procedure. Accordingly, no grievance shall be deemed ripe for submission to arbitration unless and until the Director of the Office of Labor Relations or designee has had an opportunity to resolve the grievance. An unresolved grievance may be appealed to said Director within seven (7) days of the date of the Step II response, or, in the case of a grievance ripe for submission directly to Step III, within the period specified in Section 5. Said Director or his/her designated representative shall hold a conference

within thirty (30) days of receipt of the grievance and issue a written response within fifteen (15) days of the conference.

Step IV. Arbitration. Within ten (10) working days after the State's answer is due at Step III or if no conference is held within thirty (30) days, within seven (7) days after the expiration of the thirty (30) day period an unresolved grievance may be submitted to arbitration by the Union or by the State, but not by an individual employee(s), except that individual employees may submit to arbitration in cases of dismissal, demotion or suspension of not less than five (5) working days.

Mediation. If mutually agreed upon by the parties, an unresolved grievance filed for arbitration shall be submitted to a pre-arbitration mediation meeting. The mediation shall be conducted by a mutually acceptable mediator selected by the parties and shall be understood to be a non-binding process. The mediation shall be scheduled within forty-five days, if practicable, after the parties have agreed to mediation. The costs of the mediation shall be shared equally between the State and the Union.

Section 7. For the purpose of the time limits here under, "days" shall mean calendar days unless otherwise specified. The parties by mutual agreement may extend time limits or waive any or all of the steps hereinbefore cited.

Section 8. In the event the State Employer fails to answer a grievance within the time specified above or extended by mutual agreement, the grievance may be processed to the next higher level and the same time limits shall apply as if the State employees answer had been timely filed on the last day. The grievant or the Union assents to the last attempted resolution by failing to appeal said decision in a timely manner, or by accepting said decision in writing.

Section 9. Arbitration Process.

(a) The parties shall establish a panel of arbitrators herewith, which panel shall be scheduled to hear arbitration cases filed for hearing on a rotating basis, by alphabetical order, unless the parties agree to the contrary in any case. The parties may, by mutual agreement, combine any number of cases as may be practicable for hearing by one arbitrator.

Submission to arbitration shall be by letter, postage prepaid, addressed to the Office of Labor Relations. Submission to the arbitrator shall be by letter, postage prepaid, addressed to the mutually accepted arbitrator. The submission shall specify the arbitrator must be available to schedule the case within sixty (60) days of appointment. The expenses for the arbitrator's services and for the hearing shall be shared equally by the State and the Union, or in dismissal or suspension cases where the Union is not a party, one-half the cost shall be borne by the party submitting to arbitration. Any expense incurred from cancellation or postponement of hearing shall be borne by the party requesting the cancellation or postponement, unless mutually agreed otherwise.

On grievances where the question of arbitrability has been raised by either party prior to the date of the actual appointment of the arbitrator, said arbitrator shall determine the issue of arbitrability prior to considering the merits of the issue. The parties may, by mutual agreement, have the issue on arbitrability heard separately with testimony on the merits conditional on the results of the arbitrability issue.

(b) The arbitration hearing shall not follow the formal rules of evidence unless the parties agree in advance, with the concurrence of the arbitrator at or prior to the time of his/her appointment.

In cases of dismissals, demotions, or suspensions, in excess of five (5) days, either party may request the arbitrator to maintain a cassette recording of the hearing testimony. Costs of transcription shall be borne by the requesting party. A party requesting a stenographic transcript shall arrange for the stenographer and pay the cost thereof.

The State will continue its practice of paid leave time for witnesses of either party.

(c) The arbitrator shall have no power to add to, subtract from, alter, or modify this Agreement, nor to grant to either party matters which were not obtained in the bargaining process, nor to impose any remedy or right of relief for any period of time prior to the effective date of the Agreement, nor to grant pay retroactivity for more than thirty (30) calendar days prior to the date a grievance was submitted at Step I. The arbitrator shall render his/her decision in writing no later than thirty (30) calendar days after the conclusion of the hearing unless the parties jointly agree otherwise.

The arbitrator's decision shall be final and binding on the parties in accordance with the Connecticut General Statutes, Section 52-418, provided, however, neither the submission of questions or arbitrability to any arbitrator in the first instance nor any voluntary submission shall be deemed to diminish scope of judicial review over arbitration awards, including awards on competent jurisdiction, to construe any such award as contravening the public interest.

Section 10. In addition to those exempted and unless specifically stated otherwise, the following matters shall not be subject to the grievance and arbitration procedure:

- (a) dismissal of employees during the initial working test period;
- (b) dismissal of non-permanent employees;
- (c) the decision to lay off employees;
- (d) classification and pay grade for newly created jobs; however, this clause shall not diminish the Union's right to negotiate on pay grades;
- (e) those inherent management rights not restricted by a specific provision of this Agreement in any way, directly or indirectly.

Section 11. The conferences of the grievance procedure and arbitration hearings shall be closed to the public unless the parties agree otherwise.

ARTICLE 18 - DISMISSAL, SUSPENSION, DEMOTION OR OTHER DISCIPLINE

Section 1. No permanent employee who has completed the working test period shall be reprimanded, demoted, suspended or dismissed except for just cause.

Just cause may include but is not necessarily restricted to incompetence, inefficiency, neglect of duty, misconduct or insubordination. In determining just cause, Personnel

Regulation 5-240 governing discipline is hereby incorporated by reference.

Section 2. The parties jointly recognize the deterrent value of disciplinary action and, whenever appropriate, disciplinary action will be preceded by warning and opportunity for corrective action. Nothing in this Section shall prohibit the Employer from bypassing progressive discipline when the nature of the offense requires and the failure to apply progressive discipline shall not in and of itself be cause for overturning the disciplinary action.

Section 3. In cases which involve serious misconduct, a criminal investigation or the disposition of a criminal charge, and where it has been determined by the Employer that the presence of the employee, at work could be harmful to the public, the welfare, health, security or safety of clients, patients, inmates or state employees or state property, the employee may be placed on a paid leave of absence to permit investigation for a period of up to sixty (60) calendar days. The paid leave under this section may be extended for the period of the pre-discipline procedure and the discipline notice period.

Section 4. Interrogation. An employee who is being interrogated concerning an incident or action which may subject him/her to disciplinary action shall be notified of his/her right to have a Union Steward or other representative, upon request, provided, however, this provision shall not unreasonably delay completion of the interrogation or notification of disciplinary action. The provision shall be applicable to interrogation before, during or after filing of a charge against an employee or notification to the employee of disciplinary action.

Prior to the interrogation, the employee shall be notified of the subject of the investigation. The employee shall also be notified at that time if the subject may be considered to be a criminal matter.

In cases in which the facts, in a claim against an employee, if proven would constitute criminal behavior, the employee may refuse to answer questions on the grounds that the answer would tend to incriminate him/her. If the facts alleged would not constitute a crime, if the employee at first refuses to answer questions on the grounds of self-incrimination, the employer may specifically order him/her to do so, in which case the employee shall be required to answer, but the answer will be treated as involuntary and may not be used in any way in a criminal proceeding against him/her.

The provisions of this Section shall not be interpreted to prevent a supervisor from questioning an employee at the workplace.

Section 5. Whenever practicable, the investigation, interrogation or discipline of employees shall be scheduled during the employee's work schedule, with an intent to avoid overtime. When the Department of Correction calls an employee to appear at any time beyond his/her normal work time, he/she shall be deemed to be actually working. This provision shall not apply to Union Stewards.

If a formal investigation results in a decision that discipline is not warranted, the employee shall be notified of that result within a reasonable period of time.

Section 6. (a) Predisciplinary Conference. Prior to suspending, demoting or dismissing an employee, the agency shall provide the employee with an opportunity for a predisciplinary (“Loudermill”) conference. At the conference, the agency shall

- (1) apprise the employee of the charges against him/her;
- (2) explain to the employee the evidence regarding the charges against him/her; and
- (3) provide the employee with an opportunity to respond.

(b) Written notice of the formal disciplinary action (suspension, demotion or dismissal) shall be sent to the employee by certified mail or served in person. A copy of such notice shall be provided to the Council President by certified mail within twenty-four hours of the notice to the employee, or by the close of the next business day. Such notice will include the reason(s) for the disciplinary action, the effective dates and notice that the employee has the right to grieve.

(c) An employee may be placed on a paid leave of absence during the notice period prior to the effective date of dismissal.

Section 7. A written reprimand or a written record of an oral reprimand which is placed in an employee’s official personnel file and which is not merged in the service rating next following shall be treated in accordance with the Personnel Files Article.

Section 8. A permanent employee may submit grievances concerning dismissal, suspension or disciplinary demotion directly to Step III of the grievance procedure within twenty (20) calendar days of the written notice. All grievances filed directly to Step III shall include a copy of the disciplinary notice and a copy of the grievance shall be sent concurrently to the employee’s agency designee.

Section 9. The State reserves the right to discipline or discharge employees for breach of the No Strike Article. An employee may grieve whether he/she participated in a violation of such Article directly to Step III. If in an arbitration proceeding, the Employer establishes that the employee(s) breached the No Strike Article, the Arbitrator shall not substitute his judgment for that of the employer as to the appropriateness of the discipline imposed.

Section 10. Employer Conduct for Discipline. Whenever it becomes necessary to discipline an individual employee, the supervisor vested with said responsibility shall undertake said talks in a fashion calculated to apprise the employee of his/her shortcomings, while avoiding embarrassment and public display.

Section 11. In all cases, a grievance filed under this Article shall be submitted to Step III. By mutual agreement, a grievance under Section 1 may be expedited directly to arbitration.

Section 12. As provided in Section 1, the Department may demote for just cause. An employee so demoted may be returned to the last assigned duty station prior to his/her promotion if a vacancy exists. If no vacancy exists, the assignment will be made in accordance with Agency operating needs. The Department will provide written notice to an employee who has been demoted. Such notice will include the reason(s) for the disciplinary action, the effective dates

and notice that the employee has the right to grieve.

Section 13. Disciplinary Transfers. Disciplinary transfers are defined as transfers from facility to facility, or from shift to shift. Transfers, which have been designated as disciplinary, shall be subject to the “just cause” standard. In cases of a transfer not designated as disciplinary, if the Union establishes that a substantial motive for the transfer was disciplinary, the “just cause” standard shall apply. In all other cases not designated as disciplinary, the arbitrator shall not substitute his/her judgment for that of the Employer unless restricted by another provision of this Agreement.

ARTICLE 19 - HOURS OF WORK, WORK SCHEDULES, AND OVERTIME

Section 1. Work Schedule.

(a) The regularly established workweek for employees in this bargaining unit shall average forty (40) hours per week. All employees shall be scheduled to work a regular shift as determined by the appointing authority.

(b) Line Supervisors will work a five (5) on, three (3) off rotating schedule. Each employee will work a workday that will result in an average workweek of forty (40) hours per week in an eight (8) week cycle.

(c) Employees assigned to non-continuous operations, or who perform specialized duties at a continuous operation facility, shall work eight (8) hours per day on a five (5) consecutive days on followed by two (2) consecutive days off that do not rotate.

Section 2. Overtime.

(a) All employees of this bargaining unit are eligible for overtime and shall be covered under the Fair Labor Standards Act.

(b) Payment of Overtime. An employee who performs work authorized by the Employer in addition to his/her regular workweek, as defined in Hours of Work, shall be compensated at time and one-half for all overtime hours over forty (40) in that workweek. The provisions of this Section shall not apply with respect to any employee employed in a position or class which has been designated unscheduled.

(c) Overtime pay shall not be pyramided. When practicable, overtime checks shall be paid no later than the second payroll period following the overtime worked.

Section 3. The appointing authority will solicit volunteers for overtime by maintaining a volunteer overtime list. This list will be renewed each quarter.

Each correctional institution shall maintain a sign-up book system by which employees on the quarterly overtime list can indicate their availability and willingness to work overtime on specific days and shifts. When overtime is needed for particular shift, it shall first be offered to the bargaining unit member with the lowest overtime hours who has signed the book for that shift. When additional staff are needed for that shift, it shall be offered in order from the lowest to the highest overtime hours among the employees who have signed the book for that shift.

If the sign-up book is insufficient for the needed staffing, employees on the quarterly list will be offered the overtime, in order from the lowest to the highest overtime hours among the

employees on the quarterly list. After using the quarterly list, the overtime shall be offered to employees on the supplemental overtime list. The supplemental list shall consist of bargaining unit members from specialized units who have previously worked in that facility.

The assignment of overtime shall be the direct responsibility of the Shift Commander or in the absence of the Shift Commander the responsibility of the Acting Shift Commander.

Mandatory drafting will only occur should there be no volunteers. If there are no volunteers, mandatory overtime assignments will be by inverse seniority. No employee will be drafted two days in a row except in the case of facility emergency.

All overtime worked, other than drafting, shall be distributed equally to all employees within their respective facility, regardless of shift. Equalization shall be accompanied quarterly annually subject to quarterly review of the overtime list by both the union and the appointing authority. Information on the employee overtime hours shall be updated Mondays through Fridays except on holidays or during facility emergencies.

At the start of each quarter, all employees who volunteer for overtime shall start with zero (0) hours. Employees will be credited with the number of hours of overtime worked and the number of overtime hours which were refused or for which “no contact” could be made.

An employee who transfers into the facility or who is promoted into the bargaining unit during the quarter and wishes to volunteer for the overtime list shall be credited with the highest number of hours attained by any employee on the list.

It is understood by all parties that the utilization of the sign-up book system cannot ensure equalization among all employees due to employees being able to choose the days they want to work overtime. However, it is also understood that the employer will make every effort to equalize overtime opportunities among employees in the sign-up book by offering the employees with the least number of hours the overtime first.

If an employee who has signed the sign-up book or the quarterly list is erroneously passed over, that employee shall be offered the first available overtime assignment. There shall be no payment of overtime for hours not worked.

ARTICLE 20 - SHIFT AND FACILITY ASSIGNMENTS

BID SHIFT PROGRAM:

Section 1. The Department of Correction agrees to implement a bid shift assignment program for Line Supervisors as set forth in this agreement. The Bid Shift Program will allow Line Supervisors to bid according to seniority for shift preferences. Thus, Line Supervisors will bid their desired shift preference according to seniority. Seniority for purposes of the bid shift program shall refer to seniority as defined in Section One of the Seniority Article.

For purposes of the Bid Shift Program, the lieutenants who serve as shift supervisors in the CTU

base locations, but not the lieutenants in the CTU specialized or administrative assignments, will be considered as Line Supervisors.

Section 2. Bidding will be done through the completion of bid forms. On the form each Line Supervisor must list a first, second, third, fourth or as many preferences as necessary to indicate that supervisor's preferences as to all shifts then established at the applicant's facility. Bids must be fully completed and submitted by February 1 of each year. All supervisors must submit these forms.

On or before January 15 each year, management will indicate the estimated Line Supervisor levels at each facility for each shift prior to the submission of the forms. Management retains the exclusive right to determine the number of supervisors to staff each shift. Upon receipt of all forms, management shall finalize the schedule. Management will notify the Line Supervisors of their bid shift assignments by February 15 each year.

Section 3. The implementation of the annual bid shift program shall commence with the start of the next full pay period that is at least two weeks after the deadline for line supervisor notification or the start of the next following pay period if mutually agreed to by the parties. Annual vacation requests will begin to be accepted only after the new shift assignments have begun following the implementation of each annual bid shift program.

Section 4. Seniority will be applied as the determining factor in shift assignment for line supervisors when all other factors are equal. Management retains the right to determine when all other factors are equal. If a Line Supervisor is denied his/her shift preference under this section, he/she shall receive a written explanation of the reason for denial. The Union may grieve a pattern of denials of shift assignment by seniority.

Section 5. Transfers. When practicable, transfers should be made prior to the close of the bidding deadline so that the transferred supervisors will be permitted to bid at their new facility.

Section 6. Discipline. Bid shift can be denied or limited for disciplinary reasons subject to just cause.

Section 7. Administrative Denial. Bid shift can be denied or limited to a line supervisor for administrative purposes such as reassignment to another facility. (e.g., line supervisor must learn and be familiar with new facility operations.) This type of assignment is limited to two weeks.

Section 8. Denial of Bid Shift/Evaluations. Management may deny or limit a line supervisor the option to elect a bid shift if that supervisor in his/her most current service evaluation is rated "unsatisfactory" in any one or more categories or who is rated "needs improvement" in two or more categories.

FACILITY AND SCHEDULE TRANSFERS -

Section 9. An employee may only be transferred from one facility to another facility by the employer under the following circumstances:

- (1) Where the approved staffing levels of his/her present unit have been reduced through reorganization action, budgetary action, or other approved governmental actions recognized by state statutes; or
- (2) Where changes in staffing assignments are required to accommodate agency operational needs; or
- (3) At his/her request, pursuant to a voluntary transfer request granted by the employer.

Except as provided herein or as otherwise provided in this agreement, inverse class seniority shall be the basis for selecting employees for non-disciplinary involuntary transfers from one facility to another.

A permanent transfer is defined as a transfer where the intent is that the employee will not return to his/her previous facility.

All other transfers shall be considered temporary.

When a permanent or temporary transfer is to be made, the employer shall notify the employee of said transfer and the nature of the transfer at least fifteen (15) working days in advance of such transfer except in cases of an emergency.

Section 10. In the case of voluntary transfers and voluntary transfer requests, the following shall apply:

An employee requesting transfer to another facility and/or another shift must put his/her name on the departmental transfer list in accordance with the departmental procedures in order to be considered. The employee will indicate the facility or facilities, and the shift(s) at those facilities, for which he/she wishes to be considered. An employee who wishes to be considered for a different shift(s) at his/her current facility prior to the next Bid Shift will follow the same procedures for placing his/her name on the departmental transfer list. Such departmental list will be updated quarterly.

As the correctional facilities develop vacancies, the senior employee in the same classification whose name appears on the departmental transfer list for a particular facility will be transferred. For purposes of the departmental transfer list, the UConn Heath Center will be considered a separate facility from the Hartford Correctional Center and the Central Transportation Unit (specifically the positions of the shift supervisors in the base locations, but not the positions in the specialized or administrative assignments) will be considered as a correctional facility for purposes of the departmental transfer list.

An employee must have completed the working test period in a bargaining unit classification to be eligible to be transferred to other facilities.

Employees are not eligible for transfer under this Article if they have been granted,

rejected or constructively rejected a prior transfer within the previous six (6) month period.

Employees may remove their names from the transfer list at any time prior to being notified of an opening at the facility of their choice. The employee must notify the employer within twenty-four (24) hours upon receipt of an offer of transfer of his or her intention to accept or reject such offer, Failure to comply with this provision shall be considered a constructive rejection of the offer of transfer.

An employee on workers compensation or medical or personal leave will be eligible to transfer to another facility under this procedure, provided that his/her return to work date is within ninety (90) calendar days of the offer of transfer.

Bargaining unit members will have the right to transfer to vacant positions before these positions are filled from outside the bargaining unit.

For positions that will be vacant for six (6) months or less, only bargaining unit members assigned to the same facility will be eligible for transfer from the departmental transfer list.

If a vacancy occurs in a line supervisor position and the vacancy is expected to be longer than six (6) months, all line supervisors In the bargaining unit are eligible for transfer from the departmental transfer list.

If two or more line supervisors are on the departmental transfer list for the vacant position of either less than six (5) months or more than six (6) months, the position will be assigned to the most senior employee as defined in Section One of the Article pertaining to seniority.

Seniority will be the determining factor in the assignment to vacant positions when all other factors are equal. Management retains the right to determine when all other factors are equal, if a line supervisor is denied his/her bid to a vacant position, he/she shall receive a written explanation of the reason for the denial. The Union may grieve a pattern of denial of assignment to vacant positions by seniority.

It and when the employee whose absence created the vacancy returns to his/her position, the employee who filled the vacancy shall return to his/her previous assignment.

The Union and the State may agree to a particular facility or shift transfer in special circumstances. In such case, a written agreement shall be reached by the parties and signed by the Union Executive Director and the Agency Human Resources Director.

Section 11. Except as otherwise provided for in this Agreement, all shift and facility assignments are permanent and may not be changed involuntarily.

Effective at the start of the pay period following July 1, 2007, the rate shall be increased to \$26.40 per shift.

All employees who become members of the bargaining unit after December 3, 2001 will keep the annual increment date they had while a member of the Correctional bargaining unit (NP-4). All employees who were members of the bargaining unit on or before December 3, 2001 shall revert to the annual increment date they had when they were members of the Correctional bargaining unit (NP-4). All employees who became state employees for the first time as members of this bargaining unit will have their annual increment date determined in accordance with existing state practice.
