

President Obama Fighting for Change Fighting for Us!

" I do not view the labor movement as part of the problem, to me its part of the solution. We need to level the playing field for workers and the unions that represent their interests, because we know that you cannot have a strong middle class without a strong labor movement. "

- President Obama, January 30th, 2009

We need to help President Obama build the middle class by passing the Employee Free Choice Act.

This legislation will raise wages, increase benefits, and improve working conditions by giving us more bargaining power with our employers.

Call your Senators and urge them to support the Employee Free Choice Act. (888) 707-2510 www.employeechoice.org
