Dear Chapter President,

Each Year, our members' children and grandchildren have an opportunity to further their education through our Bernard H. McCusker Memorial Scholarship Fund. Last year 54 students were awarded \$1,000 scholarships.

February is McCusker Month, and I am contacting all chapters and councils to ask for donations to benefit this wonderful service we provide for our members. You have been generous in the past and we are hoping that you will again make a donation for this 2010 year.

Please make donation checks out to McCusker Scholarship to the following address: CSEA SEIU Local 2001, 760 Capitol Ave., Hartford, CT 06106, C/O Mark Lucey, Treasurer.

Thank you again for your generosity,

Catherine Osten
President
