Middlebury United for Public Safety

Petition in Support of the Bond Referendum to Upgrade Middlebury's Public Safety Communications

As a Middlebury resident, I have a right to be safe in the event of an emergency. Our brave first responders -- police, fire, and ambulance, in addition to public works and elderly services -- should have reliable equipment so they can do their jobs effectively, keep residents secure, and themselves out of harm's way. I support the referendum to update our town's antiquated emergency communications system, and **on March 2nd, I will be voting YES**.

FIRST & LAST NAME (Please Print - Required)	SIGNATURE * (Required)	HOME ADDRESS **	ORGANIZATIONAL AFFILIATION (Please Print)	HOME EMAIL ADDRESS **	HOME PHONE **

Please circulate among Middlebury residents, as well as Regional School District #15 parents and school faculty and ask them to add their signature. Additional copies may be made as needed. Be sure and return or mail completed petitons.

Paid for by Middlebury United for Public Safety PAC,
Thomas P. Reynolds, Treasurer

* This is a public petition -- your signature releases your name, photo (if taken), and your pledge to vote YES for the upgrade of Middlebury's public safety communications to be published in PAC campaign literature.

** Home address, phone number, and e-mail are optional and will remain confidential and used to share important news and information about the effort to upgrade Middlebury's public safety communications ONLY. It will NOT be shared or sold for commercial purposes.
