

The 2010 Election

Who Will Stand With Us
To Improve Our Services
& Save Our Jobs?

For All SEIU Union Members in Connecticut

The 2010 election for Governor marks a critical turning point for our jobs, services, funding, and families. For the first time in decades there will be no incumbent Governor on the ballot, and we have the opportunity to elect a candidate who shares our values and values our work.

With a crowded and changing field of contenders, SEIU Unions will interview candidates for Governor who have asked for our endorsement. The interviews will begin our process towards making an informed choice about whom to support in this crucial election.
