

STEP UP TO THE PLATE

A Charity Baseball Marathon

...it ain't over 'til it's over!

Hello everyone, Chapter 9 has graciously donated to a charity fundraising event for Cystic Fibrosis, Prostate Cancer, and Juvenile Diabetes research. It is a 24 hour long baseball game going from 7:00 PM on Friday May 28, 2010, to 7:00 PM Saturday May 29, 2010. Please come and encourage all the participants! There will also be a silent auction with many great things with all proceeds donated to the charities as well.

The three organizations receiving 100% of the money raised in this fundraiser are listed below with their goals:

- The Prostate Cancer Foundation (PCF) is the world's largest philanthropic source of support for prostate cancer research. The PCF has a single goal: To find better treatments and a cure for recurrent prostate cancer.
- The mission of the Cystic Fibrosis Foundation, a nonprofit donor-supported organization, is to assure the development of the means to cure and control cystic fibrosis and to improve the quality of life for those with the disease.
- The Juvenile Diabetes Research Foundation (JDRF) is the leading charitable funder and advocate of type 1 (juvenile) diabetes research worldwide. The mission of JDRF is to find a cure for diabetes and its complications through the support of research.

More information about the fundraising event can be found at: www.stepupct.org. You can also find more information on the foundations at their respective websites.

**Thank you Chapter 9 of CSEA/SEIU Local 2001 for your
generous donation of **\$200.00!****
